Transportation

Gr. K-8 students whose home address or daycare location is within the school boundary but beyond 1000 m from the school will be transported.

Transportation procedures can be found on the Transportation website.

Community Day Care Operation

The Community Daycare is a joint Ministry of Education/Regina Public Schools/Regina Catholic School Division project. It will have a 90 space child care centre for infant, toddler and preschool children (6 weeks up to and including kindergarten children).

A Request for Submission (RFS) will be issued in the coming weeks with a decision on the provider to be made by the end of February of 2017.

Registration information and eligibility will be communicated to parents as soon as possible on the St. Nicholas website.

Catholic School Community Council

The St. Nicholas School Community Council (CSCC) will consist of a dedicated group of parents and community members who want to work with the school in a variety of areas, including:

The School Learning Improvement Plan (LIP).

Providing educational and social opportunities for the school community.

Student and parent engagement in learning.

Fundraising to support the school and educational program.

Connection to the Board of Trustees

Providing community perspective to school

CSCC will be elected and appointed in September of 2017.

A CSCC Constitution will be passed in September/October of 2017.

RCSD CSCCs are established in accordance with Administrative Applications 11130, 11132 & 11134.

Any dispersal of existing school CSCC funds for playground or any other purpose will be determined by the current school CSCCs.

Before & After School Program

An Ad Hoc Before and After School Program Committee of interested parents will be formed to identify and select an appropriate provider.

Before and After School care will be available to all St. Nicholas School students in Gr. 1-8 within the limits established by the provider.

The Before and After School Program will be a privately run, fee-for-service provider, that will run independently within the school under the guidelines established by Regina Catholic Schools and the Principal.

Before and After School Programs operate under the guidelines of RCSD Administrative Application 11260.

Play Structures

Although there are 2 specific areas designated for student play structures, there are no provisions for supplying them from the Ministry of Education.

Like all other RCSD school communities, there is an expectation that the St. Nicholas School community will need to fundraise for the purchase and installation of any such structures.

An Ad Hoc Playground Fundraising Committee will be formed to undertake the creation of a fundraising plan and to arrange for the purchase and installation of play structures in cooperation with the school principal and RCSD Facilities Department.

School Mascot & Logo

In early 2017, the search will begin to identify and select potential names and mascots for St. Nicholas School.

Students, parents, and RCSD staff will be consulted in the selection process of an appropriate school mascot and logo.

Registration

Registration will begin on January 17, 2017. To book a time, the Conference Manager Software (SchoolSoft) will be used. Details of the booking process will follow. Principal James Wahl will be located at Holy Family Parish, 8:00 – 5:00, on January 17 & 18, for in-person registration.

Beginning January 17th, you can also email Principal Wahl (**j.wahl@rcsd.ca**) to indicate your registration – simply include the names of your children and their current Regina Catholic School.

Kindergarten Registration will be processed at the same time, but will require an appointment. Email Principal Wahl to secure a time. Preferences for AM or PM will be considered, but will not be guaranteed as registration numbers will determine whether there is a half-time or full-time kindergarten program.

Confirmation of registration should be received by email within 5 days of reception.

Families not currently attending an RCSD school will have to schedule a time via email to meet with Principal Wahl to go through the RCSD Admission Guidelines outlined in Administrative Application 9101.

New School Blessing

Mark your calendars! Most Reverend Donald J. Bolen, Archbishop of Regina, will join us at St. Nicholas School for the official blessing of St. Nicholas School on Friday, September 22, 2017 at 9:30 am.
