

Home Logic Parent/Student Online Access

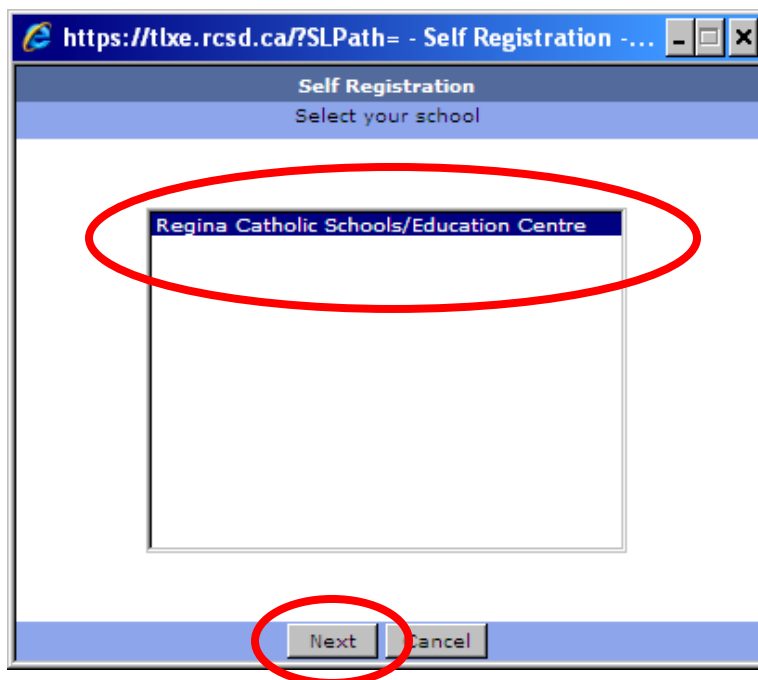

Dear Parent/Guardian:

We are pleased to announce that we will again be utilizing an excellent communication tool for students, parents, and guardians – HomeLogic. This web-based program will provide 24/7 access to a student's timetable, attendance profile, fees, graduation requirements, grade history, current/past assignments and exams (with due date information) and best of all, a student's up-to-date gradebook information (assignment marks, exam marks, and his/her current average in the class). We recommend that all parents/guardians register for the program and establish a username and password that can be used by everyone in the family.

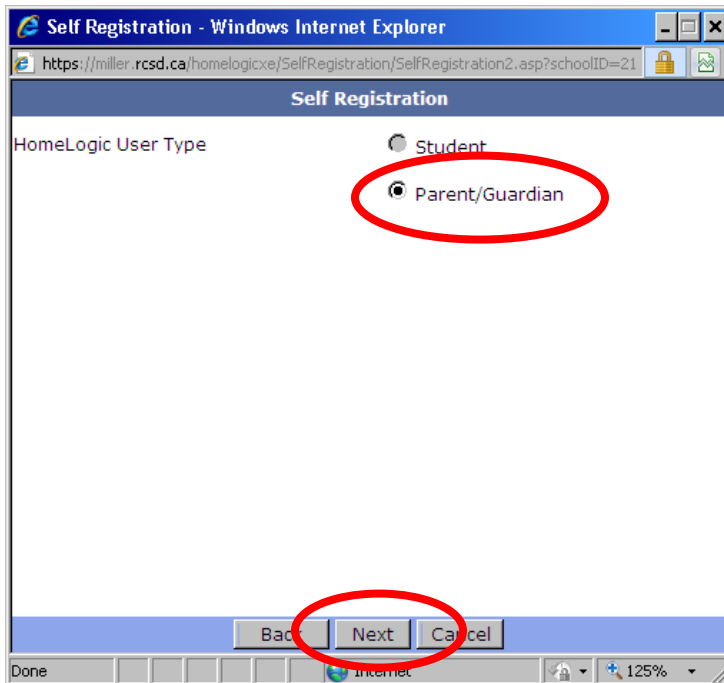

Step 1: go the following website: <https://tlxe.rcsd.ca/homelogic/> (shown below). Click on **"New User"**. Please **bookmark this site** (add it to your favourites) as you will need to access it again in the future.

Step 2: Highlight Regina Catholic Schools/Education Centre and click **"next"**.

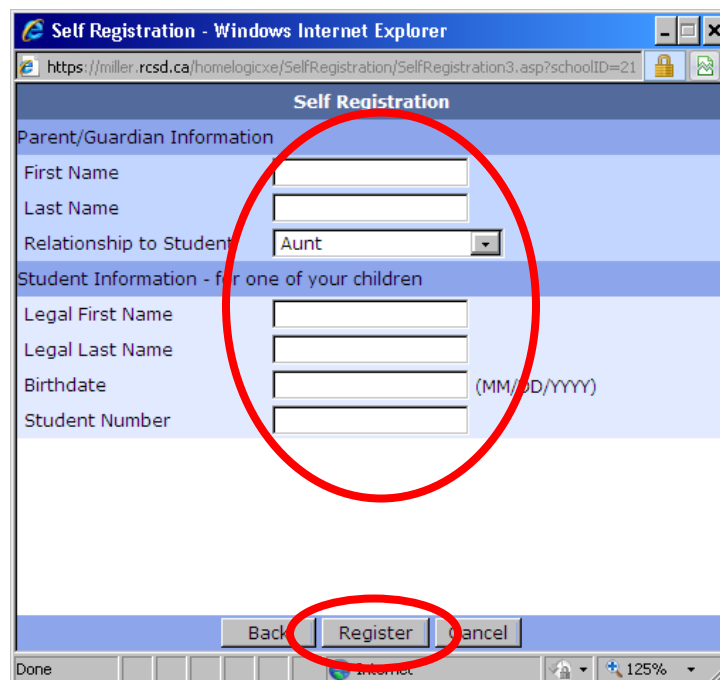

Step 3: Select “Parent/Guardian” and click “Next”.

Step 4: Fill in all fields shown below. Your son’s/daughter’s **Student Number** is found at the top of his/her school timetable (in brackets beside his/her name).

The Homelogic system will send you your login username and password via email. Simply return to the original website that you bookmarked and use the provided username and Password to login (you are able to change your password at this time so that it is something easier to remember – also, if you forget your password, the system has a “forgot my password” process in place).
