Background

The Board supports the formation and operation of Catholic School Community Councils (CSCC's) within the school division.

Every school in Saskatchewan has a School Community Council (SCC). Catholic School Community Councils (CSCCs) include school-level advisory bodies that include elected and appointed parents/guardians, students, community members and school staff, working together on issues that support the school's Learning Improvement Plan (LIP), student learning, and community well-being.

Any parent or guardian of a student who attends the school or any community member who is an elector (as defined in *The Local Government Election Act*) and lives within the attendance area for that school is eligible to run for an elected position on the CSCC.

CSCCs bring a new appreciation for what can be accomplished collaboratively in a way that suits your own unique community.
