	Status:	Operational

Preamble

The Board supports the involvement of Regina Catholic School Division (RCSD) in community programs that promote the safety and well being of students as they travel to and from school.

Application

1. School principals who are considering establishing a *School Safety Patrol Program* are asked to contact the School Resource Officer assigned to their school in order to determine whether such a program is deemed advisable and if it is, to work with the School Resource Officer to establish such a program.
2. If the establishment of a *School Safety Patrol Program* is deemed advisable, the principal should also contact the school division Transportation Officer who is responsible for the equipment (vests, stop signs, etc.) associated with the program.
