**Preamble**

The Board supports the involvement of Regina Catholic School Division (RCSD) in community programs that promote the safety and well being of students as they travel to and from school.

**Application**

1. School principals who are considering establishing a *School Safety Patrol Program* are asked to contact the School Resource Officer assigned to their school in order to determine whether such a program is deemed advisable and if it is, to work with the School Resource Officer to establish such a program.
2. If the establishment of a *School Safety Patrol Program* is deemed advisable, the principal should also contact the school division Transportation Officer who is responsible for the equipment (vests, stop signs, etc.) associated with the program.
