

Regina Catholic School Division

As a publicly funded organization and supporter of youth and community programs, Regina Catholic School Division is prepared to make its property and facilities available for use by community or not-for-profit organizations and by partners in education on a regular or intermittent basis provided the rental activity does not negatively impact upon the primary purpose of the Division's facilities – the education of students. High priority will be given to youth-oriented groups while lower priority will apply to adult-oriented groups, as outlined in the joint use agreement between the City of Regina and the Catholic School Division.

Rental is charged as per Division approved rates. In general, the Board will not rent facilities to commercial, profit-oriented entities or individuals or to groups for private social parties or functions.

Permits are issued by the City of Regina and in accordance with regulations and a fee schedule set by Regina Catholic School Division. However, since the requests for the rental of School Division facilities vary widely in nature, Regina Catholic School Division grants to the Superintendent of Facilities limited discretionary power in dealing with unusual circumstances where the regulations may not apply.

LIABILITY: The renter shall protect, indemnify and hold harmless Regina Catholic School Division from and against any and all claims and expenses in connection with:

- any loss or damage to person or property arising out of the use of the premises by the renter or any third party allowed by the renter to enter the premises; and
- Regina Catholic School Division shall not be liable or in any way responsible to the renter in respect of any injury, loss or damage to persons or property occurring on the premises to the renter or any other person however caused except to the extent of the Regina Catholic School Division actual insurance recoveries in respect thereto; and
- the renter agrees not to do, or permit to be done, upon the rented premises, anything which may make void or voidable any insurance on the building against fire or other risk or casualty usually insured against or which may cause any additional or increased insurance premiums become payable by reason of the renters failing to comply with this subsection the renter will pay to Regina Catholic School Division the amount of such increase in insurance premiums.
- The renter shall be responsible for any insurance of the renters' property or the property of others stored within a Regina Catholic School Division.

Insurance: the renter shall maintain general liability insurance in an amount not less than \$2,000,000.

Regina Catholic School Division will endeavour to provide quality rental service to parties using school facilities. Caretaking service will be provided and charged as required. Temperature and ventilation will be regulated to suit the needs of the users. In return, Regina Catholic School Division expects that users will take good care of the buildings, will provide supervision of those who use it, and will not make unreasonable demands upon the caretaker. Regina Catholic School Division welcomes suggestions for improvement of its rental services.

If the school should require the building for unforeseen circumstances, Central Scheduling, in consultation with the School Administrator, may change or cancel the permit to accommodate the needs of the school. In cases of cancellation, Regina Catholic School Division shall not be liable for claims by the renting party for damages or reimbursement on account of loss or expense.
