

We Believe in Respect.

“Love one another as I have loved you.” - John 15:12

According to *Saskatchewan’s Action Plan to Address Bullying and Cyberbullying*, bullying is a relationship issue where one person or group repeatedly uses power and aggression to control or intentionally hurt, harm or intimidate another person or group. It is often based on another person’s appearance, abilities, culture, race, religion, ethnicity, sexual orientation or gender identity. Bullying can take many forms: physical, emotional, verbal, psychological or social. It can occur in person or through electronic communication.

The Regina Catholic School Division Student Bill of Rights promises that you, as students, are entitled to be “educated in a positive environment with support and respect from those around you for what you say, think and do.” The Regina Catholic School Division Board of Trustees and staff members strongly renounce bullying and are completely committed to eliminating it from all of our schools.

If you are being bullied, or know of instances of bullying behaviour, we encourage you to talk to a parent, teacher, or staff member. We are here to help, and will ensure that every student enjoys a safe learning environment any way we can.
