

Educator Profile Data Use Disclosure Statement

In accordance with subsection 26(2) of the Freedom of Information and Protection of Privacy Act, you are advised that the following information will be submitted annually to the Ministry of Education on your behalf:

Personal Information Updates:

- Email Address (if changed)

Employer Information:

- Employer
- Contract %
- Contract Type
- Professional Association
- Date you started work this school year
- Salary Class and Step
- Employment Position

School Information:

- School(s) at which you work
- Start and End dates at the school(s)
- Teaching Assignments
- Pre-K through grade 9 classroom information including grade level, subject, and number of students in the class (this will be shared with the Ministry)

The above-mentioned information is collected by the Ministry of Education for the following purposes:

- To provide, in accordance with agreements between Saskatchewan Ministry of Education, the Saskatchewan Teachers' Federation, the Saskatchewan Professional Teachers Regulatory Board (SPTRB), the Teachers Superannuation Commission, The Saskatchewan Teachers' Retirement Plan, and your employer, certain information to assist the Ministry in educational research, analysis, reporting and planning; and to ensure the accuracy of information contained in your Electronic Educator Profile (EEP);
- To enable the Saskatchewan Ministry of Education to provide statistical profile of the Saskatchewan Teaching force to the Government of Canada;
- To maintain accurate and up-to-date teacher classification records held by the Saskatchewan Ministry of Education;
- To provide the Saskatchewan Ministry of Education with a staffing profile of the education sector; and
- To facilitate communication between the Saskatchewan Ministry of Education and the province's educators via email when deemed necessary and beneficial.

All Educators who hold a Saskatchewan Teacher's Certificate and are employed by a Saskatchewan board of education, the conseil scolaire fransaskois, an independent school, or an employer delivering an education program approved by the Saskatchewan Ministry of Education must complete and Electronic Educator Profile.
