

AIR – May 13, 2024

Loving God, we thank you for the love of the mothers you have given us,
whose love is so precious and healing that it can never be measured,
whose patience seems to have no end.

We thank you for motherly caregivers

Who have gifted us a good start in becoming good people.

May we see your loving hand behind them and guiding them.

We pray for those mothers and caregivers who fear
they will run out of love or time, or patience.

We ask you to bless them with your own special love.

We ask this in the name of Jesus, our kin.

Amen.
