REPORT CARDS

edsby

Since September, your child's teacher has been collecting evidence of learning & entering assessment information in Edsby. Parents/guardians have been able to follow their child's progress all year through their Edsby portal.

Since returning from Christmas, teachers have been using this assessment data to determine current proficiency levels on the curricular outcomes your child has been assessed on thus far in the school year. These proficiency levels are currently being applied to your child's Edsby report card.

On January 26th, report cards will be published to your Edsby portal. **You will require an Edsby account to view your child's report card.** If you have not already done so, please find the Edsby invitation in your email or contact your school. After 1:00pm, you will see a new "View Report Cards" button appear on your Edsby portal **under** your child's list of classes.

Mark

Physical Science: Light	ME
Physical Science: Sound	ME

Going forward, you will be able to access previously published report cards from January 2023 onward. This is your repository of report cards. No printing/saving is required.

Please take this opportunity to familiarize yourself with the updated achievement scale.

Since this is a mid-year report card, not all outcomes/strands have been assessed. You will see a report based on the outcomes/strands assessed thus far.
