Newcomers In The Know:

Information and Support for Immigrant & Refugee Families

Please join us for an evening of connection, support and information gathering. The SSWIS Program (Settlement Support Workers In Schools) will present on their role and share community supports and resources available in Regina. Hear a lived experience about what students need from their parents to be successful at school. Learn how to use Edsby. And above all, connect with other families. Door prizes and giveaways for attendees!

Childcare offered onsite - please indicate need at time of registration.
