## Tips and Tricks to Support the Dysregulated Child

Please join us for an evening of learning tips and tricks on how to best support dysregulated children. The Learning Disabilities Association of Saskatchewan (LDAS) will share their knowledge and expertise with us. On this night, we will learn strategies to help approach, re-direct, and build connection with dysregulated children. Caregivers with children of all ages are welcome.

**Childcare offered onsite - please indicate need at time of registration.**
