

Posting- School Healthcare Practitioner – St Faustina School 0.85 FTE

In a Catholic environment that fosters collegiality and supports continuous learning, the School Healthcare Practitioner assists in the provision of health-related programming as well as fosters student independence and provides communication functions with the home and outside agencies under the direction of the principal.

If you do not see yourself fully reflected in every job requirement listed on the posting above, we still encourage you to reach out and apply. Rooted in our Catholic faith, we are committed to creating a more diverse, equitable, and inclusive organization and we strongly encourage applicants of all genders, ages, ethnicities, cultures, abilities, sexual orientations, and life experiences to apply. Support is available upon request for candidates taking part in all aspects of the selection process. Finally, we know that emergencies happen, and you may need to reschedule an interview - we understand and encourage you to be in communication without worrying about losing the opportunity or your credibility.
