

AIR – January 23, 2024

This week is a Week of Prayer for Christian Unity, and our high school students begin writing their Semester 1 Course Finalizations. We pray for unity, health and focus for all our students and communities. Thanks for staying up to date with Regina Catholic Schools.

ACTION

Please regularly check your email in-box, Edsby and the [RCSD website](#) for the latest news. All formal communications from the Regina Catholic School Division will be shared in those places for you. Your school website is another page to bookmark in your browser.

INFORMATION

We are working on the 2024-25 school year calendars. Once done, our Board of Trustees will approve them, and they will go to the Ministry of Education for final approval. When that's done, we will share them directly with you.

REFLECTION

We invite you to pray for all our high school students this week and next as they write their final exams.
