

# Home Logic Parent/Student Online Access

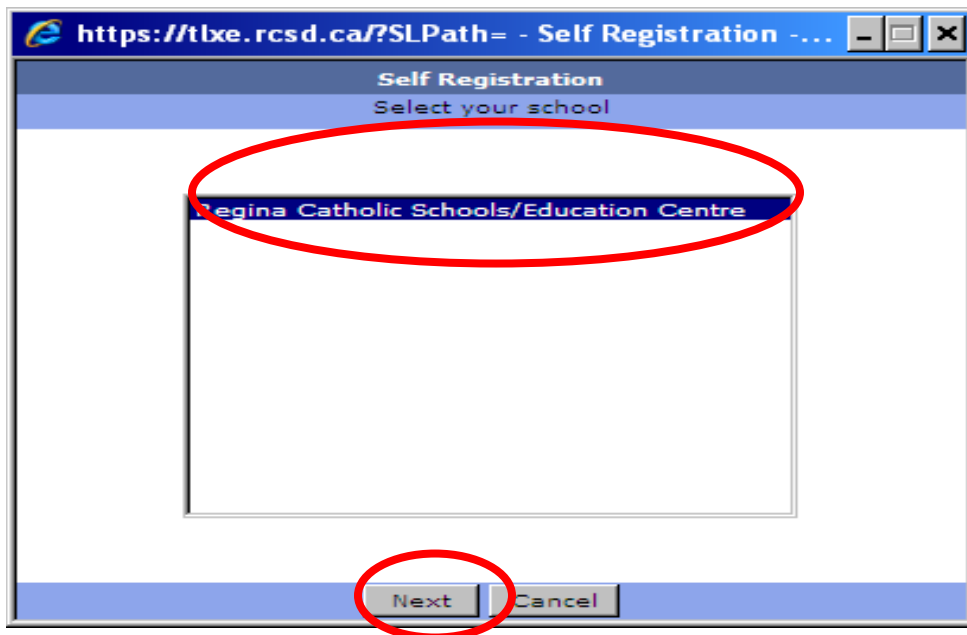

Dear Parent/Guardian:

We are pleased to announce that O’Neill will launch an excellent communication tool for students, parents, and guardians this coming week – Home Logic. This web-based program will provide 24/7 access to a student’s timetable, attendance profile, fees, graduation requirements, grade history, current/past assignments and exams (with due date information) and best of all, a student’s up-to-date grade book information (assignment marks, exam marks, and his/her current average in the class). We recommend that all parents/guardians register for the program and establish a username and password that can be used by everyone in the family. Accompanying demographic information to support your registration process regarding your child(ren) will be coming out early in the week of Oct. 3 – 5. Parents / guardians will require the information on the Child(ren)’s legal first name, Child’s legal last name, School ID # (SIRS ID), and Birth date to create a login and password, and to confirm access to Home Logic. In order for it to work for you, it must be the exact same demographic information that is being sent to you - that we have on our files. You should only need to register once should you have multiple children in the school. To register, please follow:

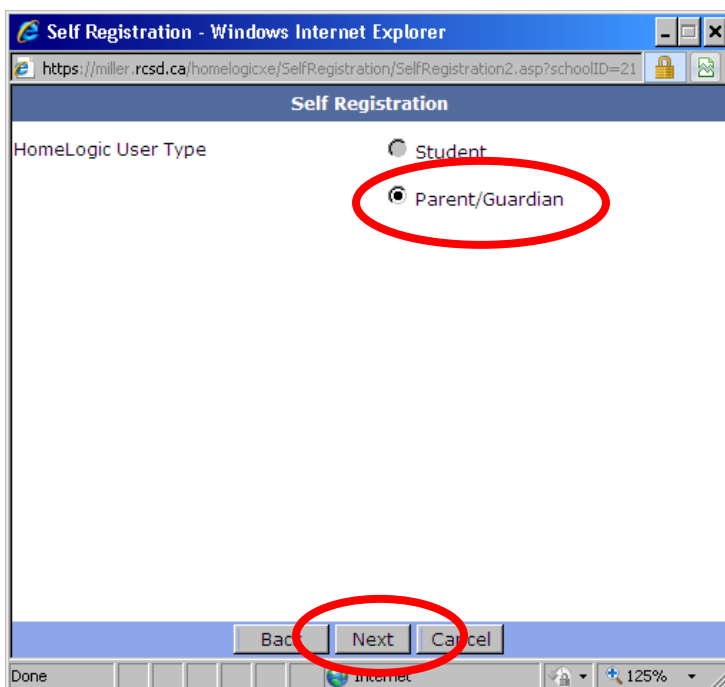

**Step 1:** go the following website: <https://tlxe.rcsd.ca/homelogic/> (shown below). Click on “**New User**”. Please **bookmark this site** (add it to your favorites) as you will need to access it again in the future.

**Step 2:** Highlight Regina Catholic Schools/Education Centre and click “next”.

**Step 3:** Select “Parent/Guardian” and click “Next”.

**Step 4:** Fill in all fields shown below. Your son’s/daughter’s **Student Number** is found at the top of his/her school timetable (in brackets beside his/her name).

Self Registration - Windows Internet Explorer

Student Information - for one of your children

Legal First Name

Legal Last Name

Birthdate  (MM/DD/YYYY)

Student Number

Back Register Cancel

The Homelogic system will send you your login username and password via email. Simply return to the original website that you bookmarked and use the provided username and Password to login (you are able to change your password at this time so that it is something easier to remember – also, if you forget your password, the system has a “forgot my password” process in place).

As always, if you have questions or concerns, please do not hesitate to call the school at 791-7240.

Thank you for helping in the support of your child(ren)’s academic success.
