Important Reminders and Celebrations:

- LeBoldus' Christmas Hamper Charitable Collection will occur between December 2nd and 13th. Please see poster below for further details. Thank you for your generous support.
- School Pick-up: Please ensure that the pyloned-off area in front of the school is kept clear when picking up your son or daughter after school. This no stopping area is used by city buses and contains two important crosswalks for our students. Thank you for your help in keeping the front of our school safe for students.
- As we approach our second *Recovery Day* on December 12th it is crucial that your son/daughter is aware of their outstanding assignments. Please stay connected to HomeLogic to identify where these lapses are occurring. See [here](#) for more details. Please note that information regarding the Recovery Day will be sent home by email for those students affected.
- Course Finalization Days (Final Exams) will run from January 23rd to January 29th inclusive. Attendance for these assessments is mandatory. If your son or daughter is sick during any of these days, a doctor's note must be obtained in order to qualify for an alternate date. If a student is scheduled to miss a CFD due to extenuating circumstances it is imperative that alternate arrangements be made directly with Mr. Lawrence Biegler by January 10th, 2020. Please see administration if you have any questions.
