

RCS Learning Online Summer Course Registration

Learning Online courses are *asynchronous* online courses. This means that students are able to work through their classes at their own pace and have flexibility as to where and when they work on their course material. All course work is completed on the computer.

Each course has set due date guidelines that help students pace themselves through their course. Students who fall behind the set pace of the course, will need to spend additional time working to get caught up. Although there is some flexibility, all course work must be completed by the end of the semester. Students are able to work ahead in their course work and complete the class ahead of schedule.

Students taking online courses are subject to all school expectations, including appropriate use of language in communication, responsibility for assignment completion, and regular communication with their online teacher(s).

Summer Course Dates: June 29 – August 17.

Tuition Costs: \$400 per class.

- Tuition must be paid in full prior to the start of the summer semester.
- Tuition is non-refundable after July 6, 2018.

Registration Deadline: Thursday, June 29 at noon.
