Safe and Orderly Environment

- More renos over the summer- 5 classrooms getting updates;
- Beating the heat- reminders to students about dressing for the weather, drinking water;
- Continuing to reinforce COVID procedures while planning for the fall where we will be able to ease up. A few things that we will keep for next year: for instance- front door locked with doorbell, designated student entrances.
- SWPBIS/ Behaviour matrix continues to be reviewed as students start getting that end-of-June restlessness
- Parking Lot congestion has eased- leadership opportunity- the “Cone Kings and Queens.” Reinforced before and after school procedures with students.

- Staffing is complete and will be shared with our community at the end of the month;
