CSCC Prizes

Our CSCC is looking for prizes to use for our upcoming dance and future events. If you have material prizes, gift certificates, coupons, etc., please drop them off at the office. Thanks for your support!

Dress & Appearance

As a Catholic school, we want to help our students understand modesty is an essential part of who we are and what we represent. Students are expected to dress in appropriate clothing that is suitable for the weather and represents the values we express in our Catholic faith. Clothing such as muscle shirts, open backs, spaghetti straps, bare midriffs, short skirts/shorts, and bandannas are not allowed. In general, students will be expected to have a clean appearance that is reasonable, modest, decent and respectable.

Emergency Drills

In the next few weeks, we will be practicing our emergency drills along with the YMCA and École Harbour Landing. We'll do 3 fire drills, 2 reverse evacuations, a severe weather and a lockdown drill. Resource officers will be present for our lockdown practice. In preparation for our drills, staff will spend time reviewing procedures.

Student Placement Requests

We will soon start placing students into classes for the next school year. Assigning students to specific classrooms is a joint process involving classroom teachers, learning resource teachers and administration. There are a number of factors considered when student placements are determined. They include the following:

- the number of students per grade
- gender and age of the student
- academic needs and work habits
- social/emotional aspects
- peer relationships

Using our professional judgment, the staff team makes the best decisions possible for all students involved. We do however appreciate being made aware of **significant** student needs and concerns. Placing 550 students is a complex task and our priority is to ensure optimum learning environments. The information you share is confidential. Please forward information to me at m.norris@rcsd.ca before Friday, May 18, 2018. Student placements will not be published until students return in the fall as student numbers often change over the summer.
