WEEK OF SEPTEMBER 27 – OCTOBER 1

Playoffs occur – we usually find out dates of games on game day or the day prior.

WEEKS OF OCTOBER 4-15

Playoffs occur – we usually find out dates of games on game day or the day prior.

WEEK OF OCTOBER 18-22

Semi finals and finals

Please note that it is a short season. We leave space two full weeks of playoffs due to potential weather issues.

Note that due to a large number of players who wished to come out, grade sixes will not play but will be given the opportunity to practice with the team and be on the sidelines for all home games.

Not all grade 7 and 8 students will play in every game. Players will know which games they get to play in.

Once playoffs occur not every player will play.

Due to COVID it is recommended that parents drive their own children. We know that not everyone will be able to drive so Mr. Cardinal and I will be able to take some students. When transporting multiple students mask will be mandatory in the vehicle. If we need parents to drive other students, parents will need a recent (last few months) criminal record check and fill in a driver form. We have all forms in the office and a letter to take to the police for a criminal record check so just phone the office.
