

Coronation Park Community Association

Hip Hop

Hip Hop /Creative dance sessions are being held for students, aged 8 to 13, at St. Peter's School beginning Thursday, May 16th from 3:35 to 4:35 pm. These sessions are free of charge and will run for 6 weeks, ending June 20th. All classes will be facilitated by Chancz Perry, who choreographs, produces, performs and presents his work locally and internationally. Dance is a great way to enhance coordination, improve flexibility and challenge muscle endurance.

Registration forms are available at the school office or by emailing carpark@sasktel.net if you would like to register your child.
