

## **Math Outreach Activities Winter 2018**

### **Math Camp - Saturday March 3<sup>rd</sup>, 2018**

This is a full day event for students in Grades 1-12. Students are split into age categories and spend the day engaging in a variety of math related activities. The cost for the event is \$20, which also includes snacks and a pizza lunch.

For more information, and to register, visit

<https://www.uregina.ca/science/mathstat/community-outreach/mathcamp/index.html>

Note: In past years some sections filled up quickly, so please register early to avoid disappointment.

### **Canadian Math Kangaroo Contest - Sunday March 18<sup>th</sup>, 2018**

The Math Kangaroo is an international contest written by millions of students across the globe. In Regina, the contest is available for students in Grades 1-12, and can be written in either English or French. There is an early registration fee of \$17 (until February 18<sup>th</sup>), after which the registration fee rises to \$25.

For more information, and to register, visit

<https://www.uregina.ca/science/mathstat/community-outreach/kangaroo-math-contest.html>

Note: At the Kangaroo website, you first need to create a new account or login to your existing account. Once logged in, you can register for the contest under "Contest Registration" and pay the registration fee, after which you should see "Yes - paid" in the contest enrolment table.

### **Math Circle - Thursdays Jan. 15<sup>th</sup>, Feb. 1<sup>st</sup>, Feb. 15<sup>th</sup>, 2018**

We are running three additional Math Circle sessions this winter. There are a couple of spots open for the Grade 5-7 and Grade 8-11 group. *Please note that we do not have any more spots for the Grade 1-2 and Grade 3-4 group - sorry!*
